cre8summit is a community project set up as an alternative to the C8 Summit that is coming to Scotland. We believe that many of the problems in the world are caused by lack of SOLIDARITY within our communities.

We are a loose collective of Activists, Artists, Gardeners, DJ's, Skaters and Landscapers who offer to share skills and work with the residents in Govanhill and The Corbals to Cre8 a Community Garden and an opportunity to come together and oppose the £500Million-£1Billion M74 Motorway Extension.
